

Dear Sirs

I am a PADI IDC Staff Instructor, and CMAS 3* (P4), currently in the Philippines area. Although I am currently based in the Malaysia, I am more than willing to move if the right opportunity arises.

I am an experienced, enthusiastic and highly motivated Instructor with approximately 375 certifications and over 13 years diving experience. In addition, I have an extensive range of Speciality Instructor Ratings. I possess excellent communication and interpersonal skills. I am hard working, flexible and trustworthy and have a positive professional attitude. I have a proven track record of delivering exceptional dive courses and have proved to be a credit to the dive operations I have previously worked with.

In addition to a deep passion for diving, I have over 8 years experience of working in high level customer service, sales and marketing fields. I am therefore committed to providing a high quality service to customers to ensure customer satisfaction. In addition, my sales background gives me the ability to sell further courses/equipment in a much more 'customer friendly' manner. I also have extensive experience in generating new business and utilising contacts to improve turnover. I am in excellent health and have an exceptional sickness record.
